

## Inward activity of multinationals - Share in national total (manufacturing)

### ■ Database Specific

#### ■ Abstract

This table contains figures on the shares of industrial sectors that are "controlled" by affiliates under foreign control in each country (inward investment as a percentage of national total).

#### ■ Unit of measure used

Percentages

### ■ Population & Scope

#### ■ Geographic coverage

In principle, the ultimate controller should be considered, but in some countries it is the immediate controller.

### ■ Concepts & Classifications

#### ■ Classification(s) used

ISIC Rev. 3 (International Standard Industrial Classification)
